

SWIMMING POOL-- HOT TUB

**CALL DIGGERS HOTLINE BEFORE YOU
DIG. PHONE # 811**

Before a permit can be issued, in addition to a COMPLETED application, the following information is required.

Minimum 1/4" Scale Drawings that include:

- ☐ All property lines of parcel where pool/tub is proposed.
- ☐ Property dimensions including square footage.
- ☐ Exact location of pool/tub.
- ☐ Exact location of other structures on proposed site with distances between each clearly indicated.
- ☐ Location of buildings on adjoining properties with distances between clearly marked.
- ☐ Pool/tub dimensions including volume in gallons.
- ☐ Filter and wastewater disposal locations.
- ☐ Location and height of fence if required.
- ☐ All information to be submitted in duplicate.

Note: A Plat of Survey including all of the required site information can be used in lieu of a site drawing.

Your Pool/Tub Shall:

- Be a minimum of 5' horizontally from underground electrical wiring, except pool wiring.
- Be a minimum of 5' from side and rear property lines.
- Be more than 5' from any structure.
- Combined with other accessory structures be less than 50% of rear yard area.
- Be enclosed with a minimum of 48" high sturdy fence if walls are less than 48" high or has a permanently attached ladder.
- Be located away from overhead utility lines as required by NEC 680-8.
- Be served by electric power that is in accordance with current N.E.C. standards and installed by a City of Cudahy licensed electrical contractor.
- **NOT** be located in the front yard.
- Be inspected **PRIOR** to use.

This informational sheet is not intended to be a "How to Construct a Pool/Hot Tub". It has been prepared to answer commonly asked questions. Proper location and construction is the responsibility of the owner or his designated agent. IF YOU HAVE ANY OTHER QUESTIONS PLEASE ASK US.
